Texas' Top Individual Donors in 2004

According to the Texans for Public Integrity, individual campaign contributions in Texas included the following highlights:

- During the 2004 election cycle, individuals contributed a total of \$128 million to Texas state political committees and candidates for state offices.
- Sixty-nine of these individual donors contributed more than \$100,000 apiece during the 2004 cycle. Together these 69 donors contributed a total of \$26 million, or 20 percent of all individual political contributions.
- Seven mega-donors contributed more than \$500,000 apiece in the 2004 cycle. These donors collectively contributed \$12.8 million, or 10 percent of all individual contributions.
- Capping individual contributions at a maximum of \$100,000 would have eliminated \$19.1 million in contributions from the 2004 cycle.

Leyes sobre la igualdad de oportunidades de empleo

Primera Parte

Presentación de una acusación de discriminación de empleo Comisión para la Igualdad de Oportunidades de Empleo de los Estados Unidos

Si usted opina que un empleador, una agencia de empleo o un sindicato ha discriminado contra usted al solicitar un empleo o al ejercer un cargo por motivo de raza, color, sexo, religión, origen nacional, edad o discapacidad, puede presentar una acusación de discriminación ante la Comisión para la Igualdad de Oportunidades de Empleo de los Estados Unidos.

La EEOC hace cumplir las siguientes leyes federales contra la discriminación de empleo:

El Título VII de la Ley de Derechos Civiles de 1964 (Título VII) prohíbe la discriminación de empleo por motivo de raza, color, religión, sexo u origen nacional;

la Ley de Igualdad de Salarios de 1963 (Equal Pay Act EPA) protege a hombres y mujeres que desempeñen sustancialmente el mismo trabajo en el mismo establecimiento contra la discriminación de salarios por motivo del sexo;

la Ley contra la Discriminación de Empleo por Motivo de Edad de 1967 (Age Discrimination in Employment Act ADEA) protege a los individuos de 40 años de edad o más contra la discriminación de empleo por motivo de edad;

el Título I de la Ley de los Ciudadanos Americanos con Discapacidades de 1990 (American with Disabilities Act ADA) prohíbe la discriminación de empleo contra individuos calificados con discapacidades;

y la Ley de los Derechos Civiles de 1991 proporciona indemnización monetaria en los casos de discriminación intencional en el empleo.

Según el Título VII, la ADA y la ADEA, es ilícito discriminar en cualquier aspecto del empleo, incluyendo contratación, despido, salario, asignación, transferencia, ascenso, despido involuntario, reintegro, prestaciones suplementarias, planes de jubilación, licencia, o cualquier otro plazo o condición de empleo.

Estas leyes prohíben el hostigamiento sexual, así como el hostigamiento por motivo de raza, color, religión, sexo, origen nacional, discapacidad o edad y la discriminación por motivo de embarazo. Es ilícito también tomar represalias contra un individuo por presentar una acusación de discriminación, tomar parte en una investigación o por oponerse a prácticas discriminatorias.

Para obtener asistencia o mayor información de la oficina local de la EEOC más cercana a usted, llame al teléfono 1-800-669-4000

On March 7th, VOTE for

Florin Vrazel for

County Judge

I was born in Danbury on November 7, 1936. My parents were sharecropper farmers. I am the second child of Donat and Marie Vrazel. I have 4 brothers and 5 sisters. I am married to Maureen Irwin since April 4th, 1964. We have 5 children: Melissa, Velesia, Sonny, Lee and Chris. We also have 13 grandchildren.

My work ethic comes from mother and dad who taught us to work hard and to support one another at all times. I spent 2 years in the U.S. Army, stationed in Germany during the Cold War. The Russian troops were across the line in Czechoslovakia.

I have been a Democrat all my life. I am still a member of Pipefitters Local 211. My present occupation is plumber. I am self-employed at A-1 Plumbing. I have always liked politics. In 1953, the American Legion Post in Danbury sent me to Boys State in Austin, Texas. Before I started pipe fitting I was on the police force in Houston, Texas. Then I worked as sheriff's deputy for Brazoria County

I am running for county judge of Brazoria County because I along with all the citizens of this county need to stand up for our young and our seniors. I believe in "We the People." I believe in common sense in government. I believe that if we don't agree with the laws of taxation, we need to stand up against them. This includes taxes without representation.

In conclusion, I am in love with my country, my state and my county. I along with you can make a difference for the future generations. Let's encourage one another young and seniors alike.
